Hi, Kathryn

I just wanted to circle back with you on a comment I transferred from the previous draft to the current working draft (see attached, page 5). You responded to Erica's comment, but the comment bubble was empty. I just wanted to make sure your comment was not lost in the previous version. Could you please look at the edits on page 5 and make sure you're ok with it? R8 is trying to close out all of the comments and clean up the document by COB tomorrow.

Mario
